I'm on the white cliffs of Dover  
Thinking it over and over  
But if I jump it's all over  
A cautionary tale for you  
(Ahh, ahh, ahh)

Hoh oh  
Hoh oh  
Hoh oh  
Hoh oh

I'd like to roll in the clover  
With you over and over  
On the white cliffs of Dover  
And then I let you push me over

If that is the fact, then in actual fact  
Its not where it's at and it's over  
(Oh, oh)  
If that is the fact, then in actual fact  
I'm not where it's at, it's all over  
Yes it is

Hoh oh  
Hoh oh  
Hoh oh  
Hoh oh

And now the bluebirds are over  
(I'm floating away)  
Over the white cliffs of Dover  
(Spent twenty years upon the sea)  
And when you push me over  
(And when I came back)  
Don't bury me, I'm not worth anything  
(I found that you took care)

La, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la

If that is the fact, then in actual fact  
Its not where it's at and it's over

(Oh, oh)  
If that is the fact then in actual fact  
I'm not where it's at, it's all over  
Yes it is

Hoh oh  
Hoh oh  
Hoh oh  
Hoh oh
