City dweller, successful fella thought to himself  
Oops I've got a lot of money  
Caught in a rat race terminally  
I'm a professional cynic but my heart's not in it  
I'm payin' the price of livin' life at the limit  
Caught up in the century's anxiety  
Yes, it preys on him  
He's gettin' thin, try the simple life

He lives in a house  
A very big house in the country  
Watchin' afternoon repeats  
And the food he eats in the country  
He takes all manner of pills  
And piles up analyst bills in the country  
Oh, it's like an animal farm  
That's the rural charm in the country

He's got morning glory and life's a different story  
Everything's going jackanory  
Touched with his own mortality  
He's reading Balzac, knocking back Prozac  
It's a helping hand that makes you feel wonderfully  
blind  
Oh, it's a century's remedy  
For the faint at heart  
A new start, try the simple life

He lives in a house  
A very big house in the country  
He's got a fog in his chest  
So he needs a lot of rest in the country  
He doesn't drink, smoke, laugh  
Takes herbal baths in the country  
You should come to no harm  
On the animal farm in the country  
In the country, in the country, in the country

Blow, blow me out, I am so sad, I don't know why?  
Blow, blow me out, I am so sad, I don't know why?

Oh he lives in a house

A very big house in the country  
Watchin' afternoon repeats  
And the food he eats in the country  
He takes all manner of pills  
And piles up analyst bills in the country  
Oh, it's like an animal farm  
That's the rural charm in the country

Oh he lives in a house  
A very big house in the country  
He's got a fog in his chest  
So he needs a lot of rest in the country  
He doesn't drink, smoke, laugh  
Takes herbal baths in the country  
You should come to no harm  
On the animal farm in the country
