Paper bags and plastic hearts
All are belongings in shopping carts
It's goodbye
But we got one more night
Let's get drunk and ride around
And make peace with an empty town
We can make it right

Throw it away
Forget yesterday
We'll make the great escape
We won't hear a word they say
They don't know us anyway
Watch it burn
Let it die
Cause we are finally free tonight

Tonight will change our lives
It's so good to be by your side
But we'll cry
We won't give up the fight
We'll scream loud at the top of our lungs
And they'll think it's just cause we're young
And we'll feel so alive

Throw it away
Forget yesterday
We'll make the great escape
We won't hear a word they say
They don't know us anyway
Watch it burn
Let it die

Cause we are finally free tonight

All of the wasted time
The hours that were left behind
The answers that we'll never find
They don't mean a thing tonight

Throw it away
Forget yesterday

We'll make the great escape
We won't hear a word they say
They don't know us anyway

Throw it away
Forget yesterday
We'll make the great escape
We won't hear a word they say
They don't know us anyway

Throw it away
Forget yesterday
We'll make the great escape
We won't hear a word they say
They don't know us anyway
Watch it burn
Let it die
Cause we are finally free tonight
