I'm alive and I can breath the air  
I can hurt you  
I can float up here

I'm getting up with nothing on my mind  
I went down the stairs  
With a pain in my head  
I should have never got out of bed

I feel a pain in my chest  
I should never have got out of bed

Then everything shattered  
Just at the point that it mattered [X2]  
Aha

I'm alive, I'm can breath the air  
I can hurt you  
Half way down the stairs  
I get a pain in my chest  
I should never got out of bed

I should never ever ever  
I should never...
