If you come here
Which you sometimes do
Don't think that
I really want you to

And if you come here
Which you always do
Don't think that
I expect you to

Is that all I give you
Is that all I give you

And you talk too much
Which you always do
Don't think that
I really want you to

And if you talk too much
Which you always do
Don't think that
I really need you to

Is that all I give you
Is that all I give you

Is that all I give you
Is that all I give you
