Wake up, Maggie  
I think I've got something to say to you  
It's late September  
And I really should be back at school  
I know I keep you amused  
But I feel I'm being used  
O Maggie, I couldn't have tried any more

You led me away from home  
Just to save you from being alone  
You stole my heart  
That's what really hurts

All I needed was a friend of lend, a guiding hand  
You turned into my lover  
And mother, what a lover, you wore me out  
All you do is wreck my bed  
And in the morning kick me in the head  
O Maggie, I couldn't have tried anymore

You led me away form home  
Just to save you from being alone  
You stole my heart  
I couldn't leave you if I tried

I suppose I could collect my books  
And go back to school or steal my daddy's cue  
And make a living out of playing pool  
I'll find myself a rock ["The Stone Island"](#)™ roll band  
That needs a helping hand  
Maggie, I wish I'd never seen your face

You made a first class fool out of me  
But I was blind as a fool can be  
You stole my heart  
But I love you anyway
