I'm an original  
I'm an original

When it comes to the suburbs  
I'm an original

Being English isn't about hate  
It's about disgust!  
We're all disgusting

And then you move, move, move, move  
And you push, push, push, push  
And you trip over yourself and you think to yourself  
why am I here?  
I'm here because I got no fucking choice  
And furthermore  
Furthermore  
You're boring X 4

I'm an original X 2  
When it comes to the suburbs

And then you move, move, move, move  
And you push, push, push, push  
And you trip over yourself and you think to yourself  
why am I here?  
I'm here because I got no fucking choice  
Furthermore  
You're boring X 4
