I would talk on request
I'm never getting depressed
For a letter request
The public gets what is best
Gene is dead
More or less

CHORUS:

It's never clever oh oh
It's never nothing oh oh
It's never clever oh oh

I'm not like you I'm doing nothing to prove
You're doing nothing to prove
It's double fit, double quick

REPEAT CHORUS (x2)

I would talk on request
I'm never getting depressed
For a letter request
The public gets what is best
Gene is dead
More or less

REPEAT CHORUS (x2)
