Hello Peter Panic
You've landed on our planet
What a strange thing you are
With little pissy eyes

You got in the television
Turned us all old and wisened
Then disappeared to a distant star
And we remember you as

Peter Panic who lives forever
Peter Panic as light as a feather
And he says it's okay when you blow him away
He'll be back for you some other day
When you're running out of sugar

Peter Panic who lives forever
Peter Panic as light as a feather
And he says it's okay when you blow him away
He'll be back for you some other day
When you're running out of sugar

He left his secret with the chemist
Who made it taste very pleasant
Now everyone has gone to his star
Happy to be with

Peter Panic who lives forever
Peter Panic as light as a feather
And he says it's okay when you blow him away
He'll be back for you some other day
When you're running out of sugar

Peter Panic who lives forever
Peter Panic as light as a feather
And he says it's okay when you blow him away
He'll be back for you some other day
When you're running out of sugar

And he says it's okay
When you blow him away
He'll be back for you some other day

When you're running out of sugar
