So sure, so sure you are  
Nothing can touch you now  
I need to know, did you think of me?  
But you're forgetting me now

Slow down, don't be so  
Eager to let me go  
Realize it could change you  
It could change your mind

Try, try, try  
Try, try, try  
All things remain the same  
So, why try again? Try again

Slow down, don't be so  
Eager to let me go  
I need to know, do you think of me?  
But you've forgotten me now

Try, try, try  
Try, try, try  
All things remain the same  
So, why try again? Try again  
Try again, try again

Try, try, try  
Try, try, try  
All things remain the same  
So, why try again? Try again  
Try again, try again

Try, try, again  
Try, try, again
