You think we look pretty good together  
You think my shoes are made of leather

But I'm a substitute for another guy  
I look pretty tall but my heels are high  
The simple things you see are all complicated  
I look pretty young, but I'm just back-dated, Yeah

Substitute your lies for fact  
(Substitute) I can see right through your plastic mac  
(Substitute) I look all white, but my dad was black  
(Substitute) my fine looking suit is really made out of  
sack

I was born with a plastic spoon in my mouth  
The north side of my town faced east, and the east  
faces south

And now you dare to look me in the eye  
Those crocodile tears are what you cry  
It's a genuine problem that you won't try  
To work it out at all you just pass it by, pass it by

Substitute me for him  
(Substitute) my coke for gin  
(Substitute) you for my mum  
(Substitute) at least I'll get my washing done

But I'm a substitute for another guy
