You're taking the fun out of everything  
And making me run when I don't want to think  
You're taking the fun out of everything  
I don't want to think at all

There's no other way  
There's no other way  
All that you can do  
Is watch them play

You're taking the fun out of everything  
You're making it clear when I don't want to think  
You're taking me up when I don't want to go up  
anymore  
I'm just watching it all

There's no other way  
There's no other way  
All that you can do  
Is watch them play

There's no other way  
There's no other way  
All that you can do  
Is watch them play

I'll watch you play  
I'll watch you play

There's no other way  
There's no other way  
All that you can do  
Is watch them play

There's no other way  
There's no other way  
All that you can do  
Is watch them play

There's no other way  
There's no other way  
All that you can do

Is watch them play

There's no other way  
There's no other way  
All that you can do  
Is watch them play
