All those dirty words  
They make us look so dumb  
Been drinking far too much  
And neither of us mean what we say

Well you and I  
Collapsed in love  
And it looks like we might have made it  
Yes it looks like we've made it to the end

What happened to us?  
Soon it will be gone forever  
Infatuated only with ourselves  
And neither of us can think straight anymore

Well you and I  
Collapsed in love  
And it looks like we might have made it  
Yes it looks like we've made it to the end

When you and I  
Collapsed in love  
And it looks like we might have made it  
Yes it looks like we've made it to the end

Well you and I, [Incomprehensible]  
Collapsed in love  
And it looks like we might have made it  
Yes it looks like we've made it to the end  
All the way till the end

Perhaps [Inaudible]  
Perhaps  
There might be some  
They might be feeling  
Or want somewhere to run away, far away
