I am the message centre  
Local and direct  
Room to room an operator  
No calls today they'll just have to wait dear  
I call and I collect  
So just strike him softly away from the body

You're made up too shiny today (in so much trouble)  
Thoughts are just pissing away (in so much trouble)

I am a manager  
I am in control  
As the local delegator  
No calls today dear they'll just have to wait dear  
I offer no guarantee at all  
So don't take it lightly you'll put yourself under

You're made up too shiny today (in so much trouble)  
Thoughts are just pissing away (in so much trouble)  
A new type face and new day (in so much trouble)  
You can't remember ten minutes ago (in so much  
trouble)  
It's too much trouble

You're made up too shiny today (in so much trouble)  
Thoughts are just pissing away (in so much trouble)  
A new type face and new day (in so much trouble)  
You can't remember ten minutes ago (in so much  
trouble)  
It's too much trouble

La la la la la  
La la la la  
(to fade)
