I am the message centre
Local and direct
Room to room
An operator
(No calls today, dear
They'll just have to wait, dear)
I call
And I collect
(So just strike him softly
Away from the body)
You're made up too shiny today
There's so much trouble
Your thoughts are just
Pissing away
It's so much trouble
I am a manager
And I am in control
As the local delegator
(No calls today, dear
They'll just have to wait, dear)
I offer no guarantee at all
(So don't take it lightly
You passed your sell-by date)
You're made up too shiny today
It's so much trouble
Your thoughts are just
Pissing away
It's so much trouble
A new typeface
A new day
It's so much trouble
You can't remember ten minutes ago
It's so much trouble
Too much trouble
