For coughs and colds and scabby holes  
Itchy pimples, unseemly moles  
For funny turns and chinese burns  
For aching heads we're not concerned  
For staying lively, getting it nightly  
This we guarantee  
That's Ultranol, here's the new remedy  
Before you go to bed take 2 or 3  
When you wake you'll feel better  
lalalalala lalalalala  
lalalalala lalalalala  
For aches and pains and jellied brains  
Help you sleep and smile again  
They're aimless, blameless, almost nameless  
You get much more although you pay less  
Revitalise that sexual drive  
In fact be born again  
Yes Ultranol will put you on the map  
Take 4 or 5 then have a little nap  
When you wake up you'll feel better  
For coughs and colds and your scabby holes  
lalalalala lalalalala  
Keep you young although you're feeling old  
lalalalala lalalalala  
If you're not protected you're gonna get it  
lalalalala lalalalala  
So suck them and see you won't regret it  
lalalalala lalalalala  
Suck them and see  
Suck them and see  
Suck them and see  
Suck them and see
