Woh oh
Oh oh

Practice doesn't make perfect when you're
interbreeding
Speaking drivel can make it confused with heavy
breathing
Mixing drinks at water holes get snarled up in the
suburbs
Meandering through this and that you are suspected
vagueness

When work is done go to Villa Rosie every night
So tasty
So form a queue at Villa Rosie every night
So tasty

Woo hoo
Woo hoo

Across the common every day you come across the
fine line
But wearing boots can prevent the leeches in the long
grass
Eating between meals stifles the appetite, is it healthy?
Coming home that nagging doubt there in your belly

And all the while at Villa Rosie every night
You're tasting
A sweeter life at Villa Rosie every night
So taste

Woo hoo
Woo hoo
Woo hoo
Oh oh

All losers come to Villa Rosie every night
They're waiting
So form a queue at Villa Rosie every night
So tasty

Don't break your heart back at Villa Rosie every night
We're tasting
A sweeter life at Villa Rosie every night
So tasty
