I'm taking a ride  
With my best friend  
I hope he never lets me down again  
you knows where he's taking me  
Taking me where I want to be  
I'm taking a ride  
With my best friend  
We're flying high  
We're watching the world pass us by  
Never want to come down  
Never want to put my feet back down  
On the ground

I'm taking a ride  
With my best friend  
I hope he never lets me down again  
Promises me I'm as safe as houses  
As long as I remember who's wearing the trousers  
I hope he never lets me down again

We're flying high  
We're watching the world pass us by  
Never want to come down  
Never want to put my feet back down  
On the ground

We're flying high  
We're watching the world pass us by  
Never want to come down  
Never want to put my feet back down  
On the ground

Never let me down  
Never let me down  
Never let me down  
Never let me down

See the stars they're shining bright  
Everything's alright tonight
