Hangin at the mall w/ my girls and boys
Goin in the store and playin w/ the toys
Slidin down the hall gluin quarters to the ground
Watch as people see em and then they band down
Run in the cops, knock over canfood mountain
Who knew u couldn't take the pennies from the
fountain?
Skatin down the halls and checkin out those skaters
Running down the upside to the escolaters

Dont try to change me
Dont rearrange me
I'm not some piece of art
I aint to bright
I aint to quick
But u gotta be smart
I dont want you
To make me do stuff
That aint fun
But especially dont give me
No Artificial love

If its not wokrin out
Just tell me and its thru
And i'm gone
Here comes the sun I left with the moon
'cause i dont want u to stick around me
If u dont care for me
I dont need no sympathy
I can take a heartbreak
Or more
But be honest and walk out the door
Instead of not to appreciate
U will start to hate
Then u will start to see
U wish u were honest to me

Dont try to change me
Dont rearrange me
I'm not some piece of art
I aint to bright
I aint to quick

But u gotta be smart
I dont want you
To make me do stuff
That aint fun
But especially dont give me
No Artificial love

I'll give u all i got
If thats what u want
I'll give u what i got and more
But just see me thru and thru
Thats all u gotta do
But dont u dare give dare give dare give me
Artificial Love
