"Looking For Romance"

I bring you a song
And I sing as I go
For I want you to know
That I'm looking for romance

I bring you song
In the hope that you'll see
When you're looking at me
That I'm looking for love

I'm seeking that glow
Only found when you're young and it's May
Only found on that wonderful day
When all longing is through

I'm seeking that glow
Only found when a thrill is complete
Only found when two hearts gently beat
To the strains of a waltz that's both tender and new

I bring you a song
For I'm seeking romance

You're by my side
There's a moon up above
It shines with a light that's so mellow and bright
It's easy to see
That tonight we shall fall in love

I bring you a song
For I'm seeking romance
