Since my own arrogance
Has knocked me off my feet again
When you know I'm crawling
To you as fast as I can
First teach me to walk
And then I'll learn to dance for you
Like on this clumsy ground
Tripping a long the way
Cause I'm reaching for you
But my arms aren't long enough
And I'm running to you
If I could go a little faster
And I am crying to you
But I can't hear my own voice
And I am waiting for you
And trying not to fall asleep now
Cause I'm clumsily dancing away this fear
I am stumbling closer to you and I'm
Tumbling over my pride
I will be a fool for you
What are you thinking as you look down on me
Are you frustrated with my inconsistency
Or intrigued that I can find the will to get back up or

Maybe all this is simply amusing
Cause I am reaching for you
But my arms aren't long enough
And I am running to you
If I could go a little faster
And I am crying to you
But I can't hear my own voice
And I am waiting for you
And trying not to fall asleep now
Cause I am clumsily dancing away this fear
I'm stumbling closer to you and I am
Tumbling over my pride
I will be a fool
And I'm clumsily dancing away this fear
I'm stumbling closer to you and I'm
Tumbling over my pride
I will be a fool for you
And I'm clumsily dancing away this fear

I'm stumbling closer to you and I'm
Tumbling over my pride
I will be a fool for you
