All I wanna be, baby

Is just be around you

All I wanna be, baby

Is just be around you

I like to hug and kiss you

And watch ev'ry little thing you do

Don't pay no attention

To ev'rything people say

Don't pay no attention

To ev'rything that people say

All I want, pretty baby

Is just to be with you both night and day

Just tell me, darlin'

If you appreciate my company

Just tell me darlin'

If you appreciate my comp'ny

All the time, baby

You I will be

Come on

Come on, little girl, just come on

Come on

Just come on little girl, come on

You know I can't leave you

I can't stand to see you be alone

I wanna be with you

I wanna be with you day and night

I wanna be with you

I wanna be with you both day and night

Just stand here an watch me
You'll see that I'm gonna treat you right.
