(You sho' you wanna hear it?)

I wanna hear all of it, nevermind the tempo

You just shove on in there, a-he-he

(You is one ugly child, who can yo' mama be?)

He-he

(Well, if I was yo' daddy I'll go an jump in the sea)

(After all, it wasn't yo' fault)

He-ee

Look it, here!

(Ya)  
I heard you had a new job, too  
(I'sn't that right?)  
You wanna hear what kinda job I heard that you had?  
(And what kinda job I got, now?)  
Standin' out front of a doctor's office makin' people  
sick  
A-hee-hee  
(That's alright, I heard some'in about you, too)  
You heard nothin' about me  
(Yes, I did)  
(I heard that you were so ugly  
That when you cry, the tears run down the back-a yo'  
head  
To keep from comin' towards yo' face)  
He-he-he

(Say!)  
Yeah  
(I wonder what you would-a been if you would-a lived?)  
What's that?  
(I said, I wonder what you would-a been if you had-a  
lived?)  
You, wait a minute  
Now, I dare you to say it, again  
(I said, I wonder what you would-a been if you had-a  
lived?)  
Yo daddy! hee-hee

(Hey, there!)  
Yeah  
(Did yo' mama ever have any children?)  
A-wh-what?  
(Did yo' mama ever have any children?)  
Hoo, I betcha yo' ma didn't raise no dummys either did  
she?  
(She musta raised one I'm up here wit' you)  
Yeah

Say, look here!  
(What dat?)  
What size shoes you wear?  
(Ten n' half)  
Yeah  
(I right)  
I figured you was gon' say that  
Yo' feet look like you got on violin cases  
A-hee-hee

(Say, now)  
Yeah

(What air force you belong to?)  
The same one yo' daddy belong to  
(I thought so, I saw that propeller around yo neck)  
A hee-hee

Say, look-it-hee  
(Yeah)  
You've got on a thirty-five dollar bow tie  
(Hmm, that right)  
Fifty-five dollar white shirt  
(Uh-huh)  
Hundred n' fifty dollar coat  
(Sho nuff)  
Eighty-five dollar pair a pants  
(Yeah)  
Sixty-five dollar pair a shoes  
(A-ha)  
And no underwear  
(That's alright)  
(The reason I ain't wearin' none a them  
Yo' wife couldn't afford to buy 'em)  
He-hee

(Hey, there!)  
Yeah  
(I don't need you to play that thing)  
You act like I could be replaced, huh?  
(There's other guitar players, ya know)  
Ain't no mo' like me!  
(I know it, one like you is enough!)  
He-hee
