Days of devils, kings and clowns
Angel songs and birthday tunes
Valentines and wishing wells
Magic stairways, moods, and Junes

Silly rhymes, monkeyshines
Pictures on a stage
Round and round the records go
Time to turn the page

[CHORUS]

This will be our last song together
Words will only make us cry
This will be our last song together
There's no other way to say goodbye

Now we go our separate ways
And leave the world we used to know
The scratchy worn out 45's
An echo on the radio

Those sha la days are over now
The days of me and you
Now we know that breaking up
Is really hard to do

[Repeat CHORUS]

Sha la la la...

Yesterday is yesterday
The past is dead and gone
Nostalgia just gets in the way
Let's stop hanging on

This will be our last song together
Words will only make us cry
This will be our last song together
There's no other way

This will be our last song together
Words will only make us cry

This will be our last song together
