[CHORUS]

Watch out for the heartbreak kid  
He's just a bandit  
Stealing your affections  
Look out for the heartbreak kid  
He's gonna take your love and run

Hey, hey, girl, listen to me  
Tonight, you better take care  
There's a guy in town  
Out to get you  
And so you better beware

Whoa, oh, oh  
In some places  
They call him the rapper  
The cheater, you know what he did  
But in this town, oh well  
He's known around as The Kid

[Repeat CHORUS]

He comes on so smoothly  
Yes, he was born with the knack  
But, baby, once he  
Gets what he's after  
You know he ain't coming back

Oh, oh, oh, oh  
You're gonna feel  
So secure with his loving  
Just like all the others did  
Then he'll be gone  
You know you can't  
Hang onto the kid

[Repeat CHORUS]

Well, I know that  
He's after you, baby  
Using his line that works so well  
But, baby, he'll never love you

Like I can love you  
So don't fall under his spell

[Repeat CHORUS]

He's gonna take your love and

[Repeat CHORUS]

He's gonna take your love and

[Repeat CHORUS to fade]
