La la la la la la la la la la
I knew the dance, I felt the heat.
A million faces stared at me.
I felt the earth move to a beat,
A million ways in which to sing.
Aaaahhhhhh.

And in the midst, I saw the mayor.
He looked at me with such a glare.
And then I danced my secret dance,
A million angles sang to me.
Aaaaaahhh.

Make sure she will be all right.
Make sure she will be fine.
A million voices will lead her.

And then the crowd began to sway.
A million eyes looking my way.
I felt the sun beat on the earth,
A thousand ways in which to play.
Aaaaahhhhhh.

And then I felt one hundred hearts.
A million angels smiled at me.
And then I danced another dance,
As people started to begin.
Aaaaahhhhhh.

Tell her she will be all right.
Tell her she will be fine.
A million voice will lead her.

MMmmhh. Aaahhh. Ooohh..
La la.
Aaaaah...
