Guess you lose, and it's too late to try to come back.
What part of no don't you understand? Too bad.
There you go, darling, yes, put these no's in the trash
can.
I got no time to be looking back. I'm past that.

And now you wanna change, it's too little too late.

You shoulda loved me right when you had me.
Shoulda shoulda, but you didn't, did ya?
You shoulda known I'm not gonna sit around and wait
for you.
To get your act together, shoulda known better.
Don't say you wanna, don't say you were gonna.
You shoulda loved me right, but you didn't, did ya?

Ah... Ah, ah, ah...
Ah... Ah...

Got a new place, a hot ride, this Gucci handbag, to
match my kicks and my brand new plan. Hey, now...
Why the look of confusion? No, sorry, my bad.
Forgot to mention my brand new man. Take that.

Say you wanna change, it's too little too late.

You shoulda loved me right when you had me.
Shoulda shoulda, but you didn't, did ya?
You shoulda known I'm not gonna sit around and wait
for you.
To get your act together, shoulda known better.
Don't say you wanna, don't say you were gonna.
You shoulda loved me right, but you didn't, did ya?

Ah... Ah, ah, ah...
Ah... Ah...

Take a good look 'cause it's the last you'll see of me.
Take a good look, take a good look, baby.
Memorize this, all you'll have are memories.
Memorize this 'cause it's all you get to keep.

No words, no rings, not a damn thing, is gonna bring
me back to you.
I'm so over you.

You shoulda loved me right when you had me.
Shoulda shoulda, but you didn't, did ya?
You shoulda known I'm not gonna sit around and wait
for you.
To get your act together, shoulda known better.
Don't say you wanna, don't say you were gonna.
You shoulda loved me right, but you didn't, did ya?
