[Intro]

Gentle Ladies and Gentlemen,
please welcome Sonny And Cher, And Cher,

[Avid Merrion]

Aye! I belive ya, It's press though innit they manipulate
ya, Aye up it's on....

[Davina & Patsy Kensit]

They say we're young and we don't know
We won't find out until we grow

[Avid Merrion]

Well I don't know if all that's true
'Cause you got me, and ba-ha-by I got you

ba-ha-be
y'know what
I got you babe
I got you babe
Ok next verse...

[Davina & Patsy Kensit]

They say our love won't pay the rent
Before it's earned, our money's all been spent

[Avid Merrion]

Oh really
I guess that's so, we don't have a pot
But at least I'm sure of all the things we got,
Loads of stuff right?

Ba-habe
I got you babe
I got you babe

[Talking Interlude]

[Avid Merrion]

I got flowers in the spring I got you to wear my ring

[Davina & Patsy Kensit]

And when I'm sad, you're a clown
And if I get scared, you're always around
So let them say your hair's too long
'Cause I don't care, with you I can't go wrong

[Avid Merrion]
well listen to this...
Then put your tiny hand in mine
There ain't no hill or mo-hountain we can't climb

Ba-habe
I got you babe
I got you babe

[All]
I got you to hold my hand
I got you to understand
I got you to walk with me
I got you to talk with me
I got you to kiss goodnight
I got you to hold me tight
I got you, I won't let go
I got you to love me so

I've got you babe

I got you babe
I got you babe
I got you babe
I got you babe
