[chorus]

Soda pop, lets get busy

Soooooadaa pop

Drink some of my fizzy

Soda pop, lets get busy

Soooooadaa pop

Drink some of my fizzy

(start)

sitting hangin wit pretty mamas

That think they are all that

With their pretty faces and their big behinds

but their fronts all flat

I like a girl all full of plump

dont care if her boobs are fake

She better taste fine when i go to dine

down on her lady cake

cake, piece of cake, on a plate

Thats a metaphor for your puni

I want your puni, on my face

It tastes quite nice, but your a disgrace

(chorus)

I dont care for tits, you boobless bitch

Your body'll do just fine

I like your face

your chin is ace

what do you think of mine?

Mine has a beard on it

that i designed

i used a pen

I used me mind

i used me mind

to design my beard

i used a pen

'thats reet'

Thats how confident i was

I USED A PEN!!!

(chorus)

BEATBOX!!!!

pu pu pa teee

pu ptee

pum pum pa teee

weee dekk all dekkly

.....

Im looking for a guy thats proper bo

Make love for 7 days

Up the front and round the back

all kinds of different ways

Im a girl your a boy
do you fancy a one night stand?
forget the talk, get straight to sex
coz my converstations bland, really bland
Big busters
Small busters
no busters
ghost busters!!!!
I aint afraid of no cake!!
