"The problem is all inside your head", she said to me  
The answer is easy if you take it logically  
I'd like to help you in your struggle to be free  
There must be fifty ways to leave your lover  
She said it's really not my habit to intrude  
Furthermore, I hope my meaning won't be lost or  
misconstrued  
But I'll repeat myself at the risk of being crude  
There must be fifty ways to leave your lover  
Fifty ways to leave your lover

[Chorus]

Just slip out the back, Jack  
Or make a new plan, Stan  
You don't need to be coy, Roy  
Just get yourself free  
Oh, hop on the bus, Gus  
You don't need to discuss much  
Just drop off the key, Lee  
And get yourself free

She said it grieves me so to see you in such pain  
I wish there was something I could do to make you  
smile again  
I said I appreciate that and could you please explain  
About the fifty ways

She said why don't we both just sleep on it tonight  
And I believe in the morning you'll begin to see the light  
And then she kissed me and I realized she probably  
was right  
There must be fifty ways to leave your lover  
Fifty ways to leave your lover

[Repeat Chorus]

[Chorus 2]

Slip out the back, Jack  
Or make a new plan, Stan  
You don't need to be coy, Roy  
Just listen to me  
Oh, hop on the bus, Gus

You don't need to discuss much  
Just drop off the key, Lee  
And get yourself free

[Repeat Chorus 2x]
