Laid out and beat down
A modern classic
Here's the countdown
I tried to warn you of the dangers
But y'all just laugh out loud
Haha we're all just dying for the same dream
I pose the question
You answer shhh they may be following me

So I'll take you deep cover son
Recognizing the difficulty in this everyday situation
Only been here two days already asking for the pay
day
Here we go back to pre-school 1-2-3 abc

Pwede bang malaman kung saan patungo ang daang
ito
Pwede ba, pwede ba
Sa gitna ng gulo

At ngayon tila'y malapit na ang kalayaan
Sa kuko na dala ng dilim eh bakit ako na'aaning
Tuwing humihiywa ang damdamin... ng salinlahi ko
lisa ang tunog sa pulso at yapak ng kapwa ko siraulo

If you could only see
Right in front of me
I'll try to find
You a better view
Don't hold me back
I got my orders
I ain't waiting for the rush
Send in the next track

From the flames I'm reborn
A chance to free my soul
From the bottom locked down
A chance to free my soul
Up to the point of surrender
A chance to free my soul
Sure as the sun sets and rises
The story never gets old

So it's out of my hands now
The future's looking mighty shiny and bright
How got people talking bout the rules of the game
Spark the change
Enjoy the rest of your mother! @#\$%^* day
