Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now

Dreaming of falling  
Dreaming of falling

Yeah, lets' pretend like it's 98  
Like I'm eating lunch off of a Styrofoam tray  
Trying to be the next rapper coming out the A  
Hoping for a record deal, to renew my pain

Now let's pretend like I'm on the stage  
And when my beat drops everybody goes insane, okay  
And everybody know my name  
(Bob)  
And everywhere I go people wanna hear me sing

Oh, yea, and I just dropped my new album  
On the first week I did 500 thousand  
Gold in the spring and diamond in the fall  
And then a world tour just to top it all off

And let's pretend like they call me the greatest  
Selling out arenas with big ass stages  
And everybody loved me and no one ever hated  
Let's try to use imagination

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now

Wish right now, wish right now

Okay, let's pretend like this never happened  
Like I never had dreams of being a rapper  
Like I didn't write raps in all of my classes  
Like I never use to runaway into the blackness

Now let's pretend like it was all good  
Like I didn't live starring in a notebook  
Like I did the things that I probably knew I should  
But I didn't have maybes that's why they call it hood

Now lets pretend like I ain't got a name  
Before they ever called me B.O.B or a.k.a Bobby Ray  
I'm talking back before the mixtapes  
Before the videos and the deals and the fame

Before they ever once compared me to Andre  
Before I ever got on my space  
Before they ever noticed my face  
So let's just pretend and make wishes out of airplanes

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now

And it seems like yesterday, it was just a dream  
But those days are gone and just memories  
And it seems like yesterday, it was just a dream  
But those days are gone

Alright, let's pretend Marshall Mathers never picked up  
a pen  
Let's pretend things would have been no different  
Pretend he procrastinated had no motivation  
Pretend he just made excuses that were so paper thin

They could blow away with the wind  
Marshall you're never gonna make it  
Makes no sense to play the game  
There ain't no way that you'll win

Pretend, he just stayed outside all day  
And played with his friends  
Pretend he even had a friend to say was his friend

And it wasn't time to move in schools when changing  
again

He wasn't socially awkward and just strange as a kid  
He had a father and his mother wasn't crazy as shit  
And he never dreamed he could rid of stadiums  
And just lazy as shit

Fuck a talent show in a gymnasium bitch  
You're all about the shit, quit day dreaming kid  
You need to get your cranium checked  
You're thinking like an alien, it just ain't realistic

Now pretend, they ain't just make him angry with this  
shit  
And there was no one he could even aim  
At when he's pissed with  
And his alarm went off to wake him  
But he didn't make it to the Rap Olympics  
Slept through his plane and he missed it

He's gonna have a hard time explaining to Hailey and  
Lainey  
These food stamps and this weak shit  
'Cause he never risked shit, he hoped and he wished it  
But it didn't fall in his lap, so he ain't even here  
He pretends that

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now

Can we pretend that airplanes in the night sky  
Are like shooting stars?  
I could really use a wish right now  
Wish right now, wish right now
