[Intro: B.O.B - talking]

Don't be afraid, when I die. Because...

[Chorus:]

I'm already gone
I'm already way way way up there
I'm already gone
I'm already gone as I'm way up there
I'm all alone
I'm all alone
I'm all alone
I'm all alone as I'm way up there
I'm already gone

[Verse 1:]

I think I need to have somebody come and tell me I'm
not as crazy
As much as I may be (may be?)
Maybe, things were better when I was just a baby
(baby?)
Cause baby, ha
Ignorance is bliss, the older I get, I guess I get too
curious
Lookin' on the Internet for interestin' shit that just way
too serious

[Bridge:]

Somewhere along the way
I done went way too far in space
And I guess, can't nobody see me here, cause I'm too
far away
I said, somewhere along the way
I done went way too far in space
And I guess, can't nobody see me here, cause I'm too
far away

[Chorus:]

I'm already gone
I'm already way way way up there
I'm already gone
I'm already gone as I'm way up there

I'm all alone
I'm all alone
I'm all alone
I'm all alone as I'm way up there
I'm already gone

[Verse 2:]

Some people don't ask why (nah)
But... I ask why, I ask why (why?)
And half the time I try to act right, so I don't catch a bad
vibe (nah)
Up in the sky like an aeroplane (pwwwn)
But no I ain't talkin' 'bout Mary Jane (nah)
And yes, there's only a few people that know what I
mean
When I say I'm everythang (ha)

[Bridge:]

Somewhere along the way
I done went way too far in space
And I guess, can't nobody see me here, cause I'm too
far away
I said, somewhere along the way
I done went way too far in space
And I guess, can't nobody see me here, cause I'm too
far away

[Chorus:]

I'm already gone
I'm already way way way up there
I'm already gone
I'm already gone as I'm way up there
I'm all alone
I'm all alone
I'm all alone
I'm all alone as I'm way up there
I'm already gone

[Bridge: (x2)]

Somewhere along the way
I done went way too far in space
And I guess, can't nobody see me here, cause I'm too
far away
I said, somewhere along the way
I done went way too far in space
And I guess, can't nobody see me here, cause I'm too
far away

[Chorus:]

I'm already gone
I'm already way way way up there

I'm already gone
I'm already gone as I'm way up there
I'm all alone
I'm all alone
I'm all alone
I'm all alone as I'm way up there
I'm already gone
