bitches kissing and hugging, niggers tripping and
bugging

for nothing
tell your mothers and uncles, brothers, sisters and
cousins
my flow so nasty deranged, that nigger TIP is
disgusting
gotta trip from the game, quit your pulling and tugging
cause i ain't clinically sane
i go to pushing the button, they get the clicking and
busting
you get the dipping, the ducking they empty the clip by
the dozen
you come up missing for nothing,
hey i can triple your budget, i'm in the bizness of
hustling
if we ain't talking about money, i say let's end the
discussion
hate off my shoulders I'm brushing, all the ladies are
blushin'
they all love when i fuck em, blacks, Latinos and
russian
tell them be easy, no rushing, mastered the art of
seduction
i let them blow me so much head, i could catch a
concussion
7 chicks in the bed, touching licking and sucking
dick i'm into submission and then i send them to
trucking
cousin we nothing alike, you can say what you like,
do all that huffing and puffing and run away from the
fight
don't know who getting you hype when you sit in your
right
the great imaginary life you only live on the mike
i'm who you'd die to be like, cause i'm so fly with it,
nice
to live my life you'd have to try to hit the lottery twice
find it amusing, i'm giggling, at what you made in a
year
quadruple that while in prison, serving my day in a

year, nigga

no retreat, no surrender, no gimmicks, no hopes, no
jokes, no pretenders
strategic moves that the little are defenders another
word for them so the haters hold they temper
but tell them phil how they feel, fucking let it go
that's ineffective though, i'm in a effective show
it's that incredible and my old special doze, extra flow,
