[Verse 1]

Well me and her were the 2  
me and her were together like glue  
but we lived packed in a shack  
like the old lady who lived in a shoe  
and we ain't really know what to do  
'till one day she got her a job at WaMu  
I said baby if you been thinkin' what I thinkin',  
then all of our problems are through  
so we got together with the crew  
and planned everything with the T  
we got gloves and guns and bags and masks  
and anything we would need  
so we scoped out the facility  
really waited a couple of weeks.  
'till it was time to kick in the door  
everyone down its a robbery

[Chorus X2]

You're as cold as ice (you're as cold as ice)  
you're willing to sacrifice our love  
and now you got me (Froze)  
I said you got me (froze)  
because you're so c-cold  
you left me cold tonight

[Verse 2]

So I went to my girl and said "quit playin' and give me  
the cash"  
but nobody suspected a thing  
it was quite a spectacular act  
so we get to the safe out of everyone's sight  
so I take off my mask and ask  
"did your partner remember to cut the line for the panic  
button in the back?"  
and she paused  
the look she had on her face was cold as ice  
before she could she could say the next word I heard  
the sirens pull out outside  
so I tried to grab her and run, she pulled away and said  
she would be fine  
she was on the clock so I guess nobody would think she

was in on the crime

[Chorus X2]

You're as cold as ice (you're as cold as ice)  
you're willing to sacrifice our love  
and now you got me (Froze)  
I said you got me (froze)  
because you're so c-cold  
you left me cold tonight

[Verse 3]

So I realized it was over  
when the SWAT team kicked in the door  
so I dropped my gun and the cash, and then I got  
bummed rushed to the floor

and they took me into the station  
and they started the interrogation  
and I said, "I ain't sayin' a word 'till I get appropriate  
representation"  
so as I get escorted out, to my surprise what do I see  
that's my baby sittin' in cuffs  
tellin' the officers everything  
ans I stand there in amazement  
trying to find an explanation  
and the cops come in and restrain me  
and they mase me and the taze me  
I said, "baby why baby what did I do to forsake you  
how can you turn your back on me you're selfish I hate  
you  
all I ever wanted to do love you  
were you fakin'?"  
so I snatched the gun from my officer  
and I cocked it and I aimed it  
and said, "this is for all the pain you done  
put me through you're ungrateful how could you  
all I wanted to do was save you"  
and here I am day 55  
with 55 hundred to go  
when you love a girl who is as cold as ice  
eventually you'll get froze

[Chorus X2]

You're as cold as ice (you're as cold as ice)  
you're willing to sacrifice our love  
and now you got me (Froze)  
I said you got me (froze)  
because you're so c-cold  
you left me cold tonight

[Bridge]

32 degrees below zero  
you're like 31 flavors you're oh so cold  
feels like 30 straight days of falling snow  
I'm so cold and alone, alone  
you're like 32 degrees below zero  
or like 31 flavors you're oh so cold  
feels like 30 straight days of falling snow  
I'm so cold and alone, alone  
you left me cold tonight

[Chorus X2]

You're as cold as ice (you're as cold as ice)  
you're willing to sacrifice our love  
and now you got me (Froze)  
I said you got me (froze)  
because you're so c-cold  
you left me cold tonight
