Now
I wanna go
Now
To go to Cyber Heaven
Now
I wanna go
Now
To go to Cyber Heaven
Now
I wanna go
Now
To go to Cyber Heaven

Come roll with me
Now
I know a place called Cyber Heaven
Come roll with me
Now
I know a place called Cyber Heaven
I wanna go (I wanna go)
Now
To go to Cyber Heaven
Now (right now)
I wanna go
Now
To go to Cyber Heaven
Now

Girl, I'm too futuristic
Because I'm just too different
Because I'm in two dimensions
And I can't be simplistic
By now you're probably confused
But I got you addicted
Cause I like girls
With big thick thighs
Big thick tits statistics
Girl, I'll give you the business
If you give me the digits
Forget them mother niggers?
'Cause baby I'm the realist

No really
I'll split you like division
And I'll take you to
Cyber Heaven

Come roll with me
Now
I know a place called Cyber Heaven
Come roll with me
Now
I know a place called Cyber Heaven
I wanna go (I wanna go)
Now
To go to Cyber Heaven
Now (right now)
I wanna go
Now
To go to Cyber Heaven
Now

Girl I'm like a battery
Like a Roman Catholic athlete
Don't have to sleep
So we'll stay up 'till after three
And I'll take care of you and Ashley
And Natalie and Kathelee
You see
All these girls be asking me
B.o.B
Why you act so casually?
I just tell them actually
It happens only naturally
Cause see these dudes ain't matching me
And no they ain't out lasting me
So I give girls that vanity
I'm sick with it like a manatee
So when I get down I take these girls to
Cyber Heaven

Come roll with me
Now
I know a place called Cyber Heaven
Come roll with me
Now
I know a place called Cyber Heaven
I wanna go (I wanna go)
Now
To go to Cyber Heaven
Now (right now)
I wanna go
Now

To go to Cyber Heaven
Now
