### **"Don't Feel So Good"**

#### *[Intro]*

Oh whoa  
They say life's for livin'  
Well I don't feel so good today  
I guess I'll drift away  
I just get this feelin'  
Because this system is a cage  
Like the prison gates  
And if you don't feel it  
Then how come Independence Day  
Is just a holiday

#### *[Chorus]*

I get the feeling that this boat (I feel this boat)  
Is a type of sink, cause it can't float (it can not float)  
And I get the feeling that we're close (I feel we're close)  
To the end of the thing that we all know (that we all know)

#### *[Verse 1]*

Well excuse my expression  
But I don't give a fuck today  
So there's not much to say  
Hey  
Well I went to my bed  
But crazy thoughts kept running through my head  
I need some Sudafed  
Well if you were my mirror  
Then you would see a very sad look on my face  
The life of Bobby Ray  
Hey

#### *[Chorus]*

I get the feeling that this boat (I feel this boat)  
Is a type of sink, cause it can't float (it can not float)  
And I get the feeling that we're close (I feel we're close)  
To the end of the thing that we all know (that we all know)

#### *[Verse 2]*

Well if I gave you a few words to show my most  
genuine emotion  
They would not describe the way I feel inside  
Actually you would have to experience an explosion  
So I, just learn to control 'em  
Keep my spirit high to keep my gundilini flowin'  
Through the the 7-point chakra system  
From my toes to the top of my head  
And in between my shoulders  
If ya don't know than you probably can't focus  
On nothin' but it's easy, so your mind ain't yours  
You're getting lied to and you don't even know it!  
(Damn)  
The youths so blind but they eyes wide open

*[Chorus]*

I get the feeling that this boat (I feel this boat)  
Is a type of sink, cause it can't float (it can not float)  
And I get the feeling that we're close (I feel we're close)  
To the end of the thing that we all know (that we all  
know)
