Dynamite, dynamite
Dynamite, dynamite
I don't give a fuck, I don't really care
Party over here, fuck who's over there

My life's what you don't live
A fuck's what I don't give
Suicide, flow's up
Call that shit road kill
Face it, gon' recognize money
Real gon' recognize real
First to hold still me, boy
Like a fish that ain't got no gills
Ya'll niggas got no skills
I'm a beast, ya'll so scared
That's why we suffer will
You a lite weight, you so frail
Than my toenail, I am a po
Told them fore, I pro-bail
Look at me low

Rolling with all this new 'it
Mister vuitton might sue me
Motherfucker ho you don't know me
Do your research, don't do me
Everybody know what I'm on, cause everybody know
what I'm usually smoking
I'm with that (dynamite, dynamite)

I don't give a fuck, I don't really care
Party over here, fuck who's over there
I said I don't give a fuck,
I don't really care
It's a party over here, buttons over there

Dynamite, dynamite
Explosive
Dynamite, dynamite
That tnt I'm talkin'
Dynamite, dynamite
We smokin'
We got that fire, we got that

Dynamite, dynamite
Explosive
Dynamite, dynamite
Iâ€™m talkinâ€™ tnt that
Dynamite, dynamite
We smokinâ€™
Yea yea yea yea

Back-up in this bitch, itâ€™s black benjamin franklin
Yeah they hatinâ€™, I could give a fuck, white franklin
Yeah Iâ€™m super sick, please send me a t-shirt, thank
you
I donâ€™t need no script, I just spit this here from
thinking
Iâ€™m a polar bear, go to hell, hold it there,
Everybody know that it cost to be the boss but I, I know
the feel
Yea white bitch, donâ€™t go there
Been around the globe, you go nowhere
Landing in yo city and you ainâ€™t even got no airport
there
I got nuts like yellow hell
The way she move, thatâ€™s like jello there
Motherfucker, Iâ€™mma blow a airway like
Dynamite, dynamite

I donâ€™t give a fuck, I donâ€™t really care
Party over here, fuck whoâ€™s ever there
I said I donâ€™t give a fuck, I donâ€™t really care
Party over here, fuck whoâ€™s ever there

I went to the club on a wednesday night,
Ran into a freak that my girlfriend liked
Might ike that dyke cuz she like that pipe
Sexy, so fine, couldâ€™ve been dynamite

I donâ€™t give a fuck, I donâ€™t really care
Party over here, fuck whoâ€™s ever there
I said I donâ€™t give a fuck, I said I donâ€™t really care
Party over here, fuck whoâ€™s ever there

Dynamite, dynamite
Explosive
Dynamite, dynamite
That tnt Iâ€™m talkinâ€™
Dynamite, dynamite
We smokinâ€™
We got that fire, we got that
Dynamite, dynamite
Explosive
Dynamite, dynamite

Iâ€™m talkinâ€™ tnt that
Dynamite, dynamite
We smokinâ€™
Yea yea yea yea
