[Chorus]

the days that i that i seem to be gettin by,  
are the days that im gettin High (thoes the only days  
that im feelin fine)

the days that i that i seem to be gettin by,  
are the days that im gettin High (so thats why every  
day im high)

[verse 1]

i roll up,  
somethin to smoke up,  
the day aint really goin so well,  
but as soon as i smell the fresh aramoa of the coffee  
my mind eaze  
it helps me focus on what really im tryin to see,  
and how i wana feel,  
with just chill, and relaxed and it eased,  
and i can be all three with the weed,  
it uplifts me,  
just a spliff see,  
what have me feelin much better than if i was tipsy  
times can get ruffer than rugby  
a couple of hits of this can turn ugly to lovely,  
in the morning its my medicine,  
its also my nightcap  
it helps me sing, it helps me write raps,  
i might tap into a part of my brain that i hardly use,  
because of the liquor and boose,  
if i had to choose,  
it would be the weed fo-sho,(hey)  
my bag is gettin low,  
yo i need some more.

[Chorus]

the days that i that i seem to be gettin by,  
are the days that im gettin High (thoes the only days  
that im feelin fine)

the days that i that i seem to be gettin by,  
are the days that im gettin High (so thats why every  
day im high)

[verse 2]

well everyday is a mystery,  
at least to me life aint what you think its finna be,  
so i blow my misery away with stems and seeds,  
like a chimany,  
yup my remedy,  
so i keep it extra cooley  
yes its 10 degrees  
and i tend to sing like a symphony,  
why do i instantly, find my identity  
when i climb into my memory's  
one

[verse 3]

what else is there to say  
i know you feel me especially when you wake up every  
day  
and you look in the mirror, but you see a different face  
even though you swear you never ever ever changed  
her  
so without further a due  
these words i hold in matrimony straight from me to  
you,  
so heres my vision,  
get you somethin sticky,  
put it in a swisher  
and elevate into the blue

[chorus]

the days that i that i seem to be gettin by,  
are the days that im gettin High (thoes the only days  
that im feelin fine)  
the days that i that i seem to be gettin by,  
are the days that im gettin High (so thats why every  
day im high)
