Tell me where am I supposed to go  
And who am I supposed to believe?  
If only you knew what I knew  
Then you could see just what I see

[Ooooooh oooh ooooh]  
[Ooooooh oooh ooooh]  
[Ooooooh oooh ooooh]  
[Ooooooh oooh ooooh]

So I grab my bags and go  
As far away as I can go  
Cause everything aint what I used to know  
And I try to hide  
But I just can't hide no more  
There's nothing worse than feeling like a ghost

You say I look fine  
If only you knew what was on my mind  
You'd see a whole different side  
I couldn't show you even if I tried  
I must of got lost in time  
When I found out I was solely free to be  
Whatever I want to be

Some say I'm out of sight  
How I run, in fact we're all so blind  
If you could open up your eyes  
You could see what I couldn't describe  
And then you'd see the signs  
And then your soul would be set free  
And then you'd be released

So I grab my bags and go  
As far away as I can go  
Cause everything aint what I used to know  
And I try to hide  
But I just can't hide no more  
There's nothing worse than feeling like a ghost

[Ooooooh oooh ooooh]  
[Ooooooh oooh ooooh]

[Ooooooh oooh oooooh]

[Ooooooh oooh oooooh]

Tell me where am I supposed to go  
Who am I supposed to believe?  
If only you knew what I knew  
Then you could see  
[Hey]

So I grab my bags and go [I go]  
As far away as I can go [Which way to go?]  
Cause everything aint what I used to know [Aint what I  
used to know]  
And I try to hide [Try and hide]  
But I just can't hide no more [No no no]  
There's nothing worse than feeling like a ghost  
[There's nothing worse]

And I'm terrified [Terrified]  
Like I seen a UFO [UFO]  
Cause everything aint what I used to know [It aint what I  
used to know]  
And I try to hide [I try to hide]  
But I just can't hide no more [No no no]  
There's nothing worse than feeling like a ghost

[I go]  
[A UFO]

[And I'm so tired  
Of hiding  
I've been running  
I've been trying  
To get away  
Get away]

So I grab my bags and go  
As far away as I can go  
Cause everything aint what I used to know  
And I try to hide  
But I just can't hide no more  
There's nothing worse than feeling like a ghost
