Baby since my wild days
Nothing ever changed
So many girls so many ways
It's the same old game
It's a ritual slaying
Beyond that point
Hey baby stop prayin'
There's no return

Hear the angels cry
Watch the demons fly
Good Kill
Good Kill

Burn little star
Your time is here-
You get your irritaion
On this hot vacation
Only the nighttime
Is the right time, baby
Since I aimed at you
There's no more chance for you

Hear the angels cry
Watch the demons fly
Good Kill
Good Kill
