I just wanna grip your body (body)(go 'head)  
I just I just wanna grip your body (body)  
I just I just wanna grip your body  
I just I just wanna grip your body (body)

I just I just wanna grip your body (body)  
I just I just wanna grip your body  
I just I just wanna grip your body (body)  
I just I just wanna grip your body

It's B.o.B (haa)  
We'll gon' and grip it (uh huh)  
I get that thing wet  
Like I bout to get the dishes (whooo)  
I got positions  
But you must be physically conditioned (chyea)  
And how far I bend ya  
All depends on ya fitness (ooo)  
But to be specific  
I get things moist  
Call me Spongebob  
If I use my tongue  
Shell be like  
Well done bob (uh huh)  
I'll let it rip  
Till she like  
Man I'm done bob (aww)  
Are we finished  
Uhh nawwww

Cause I just wanna grip yo body (body)  
And I like it when it's real real sloppy (sloppy)  
She looked me in my eyes and she said (what)  
I just wanna grip yo body (ha)  
I just wanna grip your body (body)  
I just I just wanna grip your body  
I just I just wanna grip your body (body)  
I just I just wanna grip your body  
I just I just wanna grip (yo body) your body (body) (yo  
body)  
I just I just wanna grip your body

I just I just wanna grip your body (body)  
I just I just wanna grip your body

Haaa  
Is that so  
Well we can  
Make arrangements girl  
I'll take you back home (home)  
I got a nice  
Soft comfy mattress  
In my room (room)  
And don't you know  
I'll sweep you off your feet  
Just like a broom (broom wooo)  
If your a freak  
I go deep (deep)  
Until you count sheep  
Like lil' Boe peep (hoo)  
And when you wake up  
From yo sleep(ha)  
I promise  
You gon' be like  
Bob got the deep (haaa)

Cause I just wanna grip yo body (body)  
And I like it when it's real real sloppy (sloppy)  
She looked me in my eyes and she said (what)  
I just wanna grip yo body (ha)  
I just wanna grip your body (body)  
I just I just wanna grip your body  
I just I just wanna grip your body (body)  
I just I just wanna grip your body (ha uh ha)  
I just I just wanna grip (yo body) your body (body) (yo  
body)  
I just I just wanna grip your body  
I just I just wanna grip your body (body)  
I just I just wanna grip your body

It's B.o.B  
Lookin' at your thighs off rip  
I can tell that your love muscle got  
A real nice strong (grip)  
And I ain't playin'  
If you really bout it  
Maybe we can make plans  
And I can be yo man  
While you feelin' on my (body)  
So keep on doin'  
What you doin'  
With your (body body)  
Here's a more accurate

Description

I'll be yo pole

You pretend that you strippin'

Cause I just wanna grip yo body (body)

And I like it when it's real real sloppy (sloppy)

She looked me in my eyes and she said (what)

I just wanna grip yo bod b body (ha)

I just wanna grip your body (body)

I just I just wanna grip your body

I just I just wanna grip your body (b body)

I just I just wanna grip your body (ha uh ha)

I just I just wanna grip (yo body) your body (b body) (yo  
body)

I just I just wanna grip your body

I just I just wanna grip your body (b body)

I just I just wanna grip your body
