"Heaven And Hell"

Like mother nature's animal
I'm under the spell
It's just a more raw hit
For those who'll fly to hell
I'm a fighter, a lighter
A warpaint winner to the end
In broken whispering with flames
I seduce my brain

Somewhere between...
Heaven and hell
Minds collide between...
Heaven and hell
Worlds collide between...
Heaven and hell

Doom-shattered lady
I hear thy will
3 gets 4 and 10-tons
Roll down brain's hills
Try to break me, shake me
I survive, grey without a hideaway
Sadistic teaser
In a glorious blend

Somewhere between...
Heaven and hell
Minds collide between...
Heaven and hell
Worlds collide between...
Heaven and hell
