Tonight, I don't wanna have to decide  
We all gon have a hell of a night, a night, a night, a  
night  
Hell of a night, it's a hell of a night oh yea  
Cuz I don't wanna be impolite  
And we could have a hell of a night, a night, a night, a  
night  
Hell of a night yea, hell of a night yea  
It's a hell of a night, it's a hell of a night yea  
First I step, I first step, I step I-I-I-I  
First I step in, then I collect  
Yea, I'm your building, don't break your neck  
You know I got a team with me, hustle game we on  
Like a stack of cards we on deck  
So who got the check? When it come to kush I got the  
best  
If money talk shit then I got Tourette's  
Be in this swag is what I possess  
I roll up and pop a band with no sweat  
I don't rest all night cuz I'm a big league vet  
Down to earth but I'm fresh to death  
So that mean that my outfit 6 feet less  
Nigga I ain't even got no worries  
Nigga I ain't even got no stress  
And my nigga fresh off probation  
Can't talk, I gotta catch this jet  
Bad bitch, kiss your head you wet  
There's a night that you can't forget  
I'm the type that they can't hold back  
I'm so faded I can't focus  
So tonight I wanna say one thing  
One thing you could probly guess  
If you left this bitch with me it will be a night that you  
won't regret  
So tonight, I don't wanna have to decide  
We all gon have a hell of a night, a night, a night, a  
night  
Hell of a night, it's a hell of a night oh yea  
Cuz I don't wanna be impolite  
And we could have a hell of a night, a night, a night, a  
night

Hell of a night yea, hell of a night yea  
It's a hell of a night, it's a hell of a night yea  
I can't decide, tell me why I must pick a side  
You and you friend should hop in the Benz  
Put one in the back, put one in the side  
Roll up the stuff, don't hold us up  
Don't stop the flow, no don't stop the vibe  
Foot on the gas, hand on the wheel  
Head in my lap, oh what a night  
That loud pack so loud  
Sound like Zeus fell from the sky  
I walk in - they go nuts like 2Pac has just arrived  
That that wood's what I provide  
I'm gonna meet you and I'm fine  
My city on in a major way shouts out to the east side  
With my niggas straight throwing up sets  
Drink a bottle, I ain't throwed up yet  
In the private lanes with a pound  
We just upgrade, you just get upset  
So tonight I wanna know one thing  
One thing you could probly guess  
If you left this bitch with me it will be a night that you  
won't regret  
So tonight, I don't wanna have to decide  
We all gon have a hell of a night, a night, a night, a  
night  
Hell of a night, it's a hell of a night oh yea  
Cuz I don't wanna be impolite  
And we could have a hell of a night, a night, a night, a  
night  
Hell of a night yea, hell of a night yea  
It's a hell of a night, it's a hell of a night yea
