Incredible, incredible  
Oh my God, ladies and gentlemen  
You have just witnessed world history being made  
Bobby Simmons, takes it to the hole, dunks it  
Overtime three seconds left, oh, my God, yeah

I am the champion  
I am the champion  
Lights, cameras, action  
Whenever I play

I say I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

I say I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

Okay, B.o.B, hit the stage now  
Lights and cameras on  
Yes, I'm givin' them what they want  
But, no, I will not ever conform

'Cause I'm outside of the norm still  
What a spectacular form  
From the blood, sweat and the tears shed  
Every time I perform

And whenever your doin' your thang  
Yeah, people gon' hate on it as usual, that's right  
But I'm just as human as you  
I just look good while doin' it

And they telling me I have so much dough  
I won't know what to do with it  
Well, until then, I'm gonna continuin' numberin'  
because

I am the champion

I am the champion  
Lights, cameras, action  
Whenever I play

I say, I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

I say I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

I look in the mirror and laugh  
Like look at what I've become  
Everyone calls me B.o.B but  
I'm still my mother's son

And I'm low key when I'm out now  
Hell no fame ain't fun  
But I stay live like NBA on yo play station

And I entertain 'cause I'm in the game  
Man, it's easy to see I ain't into fame  
'Cause I ain't  
And critics say that I imitate but I really can't

Please allow me to demonstrate  
But no matter what they say  
I stay charged up like a triple A  
Really, mayne? Really, mayne

I am the champion  
(I wake up and piss excellence)  
I am the champion  
(All day)

Lights cameras action  
(Please hold your applause)  
Whenever I play  
(I'm kind of a big deal)

I say I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

I say I am the champion  
(I am the champion)  
I am the champion

(I am the champion)

It seems like the crowd is pandemonium  
This is pandemonium, the crowd is rushing the court  
And it seems like they're returning something  
What? What? Can we get audio?

Hoo, hoo, you be too scared, you need to go home  
Hoo, hoo, you be too scared, you need to go home  
Hoo, hoo, you be too scared, you need to go home  
Yeah, you need to go home, yeah, you need to go  
home

I am the champion  
I am the champion  
Lights, cameras, action  
Whenever I play

I say, I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

I say I am the champion  
(I am the champion)  
I am the champion  
(I am the champion)

Whenever I, whenever I play, play  
Whenever I, whenever I play, play
