Aye man, this yo boy Kev Hart man
Uh, real quick, you got a mixtape coming up called
Fuck Em We Ball
I'm just curious to know why you ain't put my nigga
Drop on there?
Like as if you don't know what he is and what he's
about
Man, it took a lot for me to get him not to call you right
now
You know, he called me to facilitate the situation so I'm
tryin to but this is tough man, I mean you do, you do a
mixtape without the realest dude in the game
It kinda makes me think like, like are you afraid of
droppin success?
Dude, we gotta talk man
Like this is crazy and I just hope it ain't that man cuz I
would hate for Drop to have to get serious and come
looking for you
I'm somebody who knows him and knows what he's
capable of
I suggest you take this as a warning dude
You either put Drop on your side or you go down
Just like the rest of em
I'm just tryina be your friend man
Bye.
