"Let It Rock"

Visit "[Let It Rock](#)" on MotoLyrics.com

Get up-
And dump your mama's cross
You really got to live
Stand up-
And fight for your freedom
And you better fight it stiff

You gotta breakout for your desire
We're gonna rock, let you play with fire

We're gonna let it rock
We're never gonna stop

Close your eyes-
And start to dream
Of a never ending night
Come on-
Turn up to ten
Up all night, define your rights

You gotta breakout for your desire
We're gonna rock, let you play with fire

We're gonna let it rock
We're never gonna stop
