[Chorus:]

Everything that I say, hey, is gonna be alright
(Alright)

Everything that I say, hey, is gonna be alright
(Alright)

Hey Mr. Bobby (Mr. Bobby)

Sing something good to me (so good so good so good
ohh)

And this world's so crazy (this world is crazy)

So it's an emergency

Hey Mr. Bobby (Mr. Bobby)

Sing something good to me (so good so good so good
ohh)

And this world's so crazy (this world is crazy)

So it's an emergency

[Verse 1:]

Somebody tell me what's wrong (wrong)

I get in my car and my radio is gone (so?)

But even when I had it they ain't never play my song
(song)

Instead, what they playin' got me bored and withdrawn
(Withdrawn)

Well I am not a hipster, I am not a clone (nah)

Don't ask what I got on cause I wear what I want (want)

And yes, sometimes I swear someone's listenin' to my
phone (phone)

I'm livin' in a world that ain't fair, but so long (goodbye)

Now people say

[Chorus:]

Everything that I say, hey, is gonna be alright
(Alright)

Everything that I say, hey, is gonna be alright
(Alright)

Hey Mr. Bobby (Mr. Bobby)

Sing something good to me (so good so good so good
ohh)

And this world's so crazy (this world is crazy)

So it's an emergency

Hey Mr. Bobby (Mr. Bobby)

Sing something good to me (so good so good so good
ohh)
And this world's so crazy (this world is crazy)
So it's an emergency

[Verse 2:]

Yes I can hear them sing (sing)
(Bobby)
Screamin' out, yell but their souls screamin' "save me"
(save me)
Hands high, this is an invasion (invasion)
It's obvious somethin' came upon us and enslaved us
(enslaved us)
Why we tryin' to make it on these bare minimum wages
(yeah)
Overdraft fees on my Wachovia statement (yeah)
I'm still livin' in the basement (yeah)
Tryin' to make music for the folks who endangered
Sang it

[Chorus:]

Everything that I say, hey, is gonna be alright
(Alright)
Everything that I say, hey, is gonna be alright
(Alright)
Hey Mr. Bobby (Mr. Bobby)
Sing something good to me (so good so good so good
ohh)
And this world's so crazy (this world is crazy)
So it's an emergency
Hey Mr. Bobby (Mr. Bobby)
Sing something good to me (so good so good so good
ohh)
And this world's so crazy (this world is crazy)
So it's an emergency

[Bridge:]

Hey hey hey hey hey
Now everybody say "alright"
(Alright)
Jeah jeah jeah jeah
Now everybody say "alright"
(Alright)
Now say "alright"
(Alright)
Now say "alright"
(Alright)
Now say "alright"
(Alright)
Say "alright"
(Alright)

[Chorus:]
Hey Mr. Bobby
Sing something good to me
And this world's so crazy
So it's an emergency
Hey Mr. Bobby
Sing something good to me
And this world's so crazy
So it's an emergency
