They can take these clothes off my back
They can take my money
Don't care about that
They can't take my words
It's all I've got
They can have this fame
It ain't worth a lot
Only thing I know, is I'll never let you go
As she takes the stand
By the look in her eyes I can tell that's she knows
That she's holding the faith of my world in her
hands
Yea, fo' real
This was never the plan
It was never intended for her to end up to defend
And I guess it just happened by chance
Yea, and you hope
You hope that a miracle happens
You played at the George just to bring that down
Just so you can go back and avoid a disaster
And you could still be holding her hand
Like the last note of the saddest song
We're like the last word at the end of the poem
You know, sometimes wanna be here alone
It's funny how you never know what you got 'til
it's gone
They can take these clothes off my back
They can take my money
Don't care about that (no)
They can't take my words (take my words)
It's all I've got
They can have this fame
It ain't worth a lot
Only thing I know, is I'll never let you go
Won't let you go
No, never gonna let you go
Won't let you go
No, never gonna let you go
Won't let you go
No, never gonna let you go
Won't let you go
No, never gonna let you go

Whatâ€™s the one thing in this life that you live for?
Who do you know in the world you would die for?
Who would lie for?
Who if they committed a crime you would stop on a
dime and do time for
Cuz it was me she would lie for
And that was her that I cried for
Now Iâ€™d give it all away to get her back
Cuz she ainâ€™t free, no, just waiting July 4th
Yea, no, it donâ€™t sound logical
But thereâ€™s some things in this life that you gotta
do
Brother, one thing in this world that got to you
Iâ€™d let it all go but I ainâ€™t dropping you
They can take these clothes off my back (clothes)
They can take my money
Don't care about that (that)
They canâ€™t take my words
Itâ€™s all I've got (Itâ€™s all I've got)
They can have this fame
It ain't worth a lot
Only thing I know, is I'll never let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
It might be wrong or it might be right
But thereâ€™s no looking back and we wonâ€™t sleep
tonight
Weâ€™re living while weâ€™re young and this is worth
the fight
Even if I lost it all
They can take these clothes off my back (clothes)
They can take my money
Don't care about that (that)
They canâ€™t take my words
Itâ€™s all I've got (Itâ€™s all I've got)
They can have this fame
It ain't worth a lot
Only thing I know, is I'll never let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go

No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
No, never gonna let you go
Wonâ€™t let you go
Never gonna let you go
