* Tekitha providing background vocals *

[Intro: Champ M.C. (N-Tyce)]

Yeah, for all of them, let 'em know

Come on, 1, 1-2, 1, 2 (turn my mic up, yo, turn my mic up just a little bit)

Uh, yo, yo, yo

[Champ M.C.]

Ready for tour, ready to give 'em tour raw

Ready to floor, ready to show 'em who the boss

Ready to bless 'em, ready to give 'em Deadly Venom

Ready to stomp, get ready for the Pretty Thugs

[N-Tyce]

Ready for war, ready for combat

Ready to settle the score, ready to bomb that

Ready explore, travel new land, formin' ground like the Cubans

Got ya body movin', ready for groovin'

Ready to show you how to rock right

Ready to jock tight in brother's spotlight

Ready to drop mic

[Finesse]

Ready to bone, ready to thug

Ready to home and not for slugs and representation for my cuz

Ready to get into it, cuz I knew you never was

Ready to buzz, ready to kick a mad doves

[J-Boo]

Ready to put it on, ready to crash on the floors

Leave the speed on point, on sharp, Liquid Swords

Ready to cut, ready to inflict pain

Inject the poisonous Venoms inside ya vein

[Champ M.C.]

Ready to rip it, ready to twist a ill izim

Ready to sip it, ready to mix it in my system

Ready to symphony, ready to get defend the mints

Ready to the man, ready to get ya business

[N-Tyce]

Ready to go platinum, ready to put away ya magnum
Ready for the Badu dreads, yea I gotta have 'em
Ready to grab 'em, ready to bag 'em
Ready get the Deadly Venom logo, ready to tag 'em

[Finesse]

Word, ready to flex, by any means necessary like
Malcolm X
Peepin' out the window wit my tech
Ready to bring it to ya dome, ready heads blown
Heads gone, you ain't ready, so leave the shit alone

[J-Boo]

Ready to set it, ready to rise to the top
Ready to let chicks know the day about to drop
To the floor, ready, ready, to bring it hard-core
I blast that ass like some muthafuckin' suit-four

[Chorus: N-Tyce]

Here we come baby, ready as we gonna be, gonna be
It be J-Boo and the Champ M.C., remember we?
Finesse, N-Tyce is who you see
Venoms representin', ya nearly turned to these (are
you ready?)

[Champ M.C.]

Ready for cause, flippin' on niggas like I'm Dominique
Dawes
Straight off, tense across the whole board
Ready for all the applause, crowds screamin' on cause
Ready to take it on tour, yea, ready for sure

[J-Boo]

Ready to shine, you heard it through ya grapevine
Deadly Venom droppin' lyrics, one at a time
Ready to floor, my team will never take a loss
You will quote what I said in the fuckin' Source, you
ain't ready, ready

[Finesse]

Baby, I'm ready to make a killin'
Ready to put ya in ya place and catch an ass whippin'
Ready to pill, get ready for the real raw deal, ready to
wreck 'em
Handle our biz, you better check 'em, yo, ya'll ain't
ready

[N-Tyce]

Ready to make a change, ready to rearrange
Ready to keep close range, ready for fame
Ready to game, ready to aim, time to be a household
name
Ready to brain wit the Poison Clan, two in the same

[Finesse]

Ready, ready get deeper
Ready, for the RZA, Deadly Venoms, Tekitha
Now ya'll ain't ready, go head, fuck ya reefer
Ready to make ya believers, ready to give ya fever
Ready to leave ya, nigga, we ain't really never need ya

[Champ M.C.]

Ready to flex, ready to see who want it next
Ready to brawl, I'm representin' killa ball
Ready to bring it, ready to follow the yellow brick road
To the wizard, ready to put it down and finish

[N-Tyce]

Ready for a new recreation, ya time is shorter than
abbreviations
We ready to rip the nation, you facin'
Ready to find a new occupation
We takin' over, ready for replacement

[Chorus]

[Outro: Tekitha]

Ready... ya'll ain't ready
Wu, Wu, Wu, Wu, Wu, Wu, Wu
Oh, ready, hmmm, ready
Ready, ready, ready, ready
